We're thrilled to share some exciting news with you!

As part of our continued growth and commitment to the tube fed community, Wholesome Blends is now officially Blended by Sarah®. Our new name reflects not only our values but also our vision for the future, providing natural whole food blends made with families in mind and authenticity.

What this means for you

You may continue to see Wholesome Blends packaging or stickered Blended by Sarah® packaging for a short time while we transition to our new Blended by Sarah® look. Rest assured, the blends inside remain the same.

We're so excited for this next chapter and can't wait to share our new packaging with you very soon. Our mission remains the same: to deliver natural whole food blends that support the tube fed community.

Thank you for your ongoing support as we transition into our new branding.

If you have any questions, please don't hesitate to reach out to the team at orders@blendedbysarah.au.

Regards,
